## POINTS BASED SYSTEM (DEPENDANT) APPLICATION– PAYMENT GUIDANCE NOTES

### The applicable fees

For an application made on this form, the fee is **£465** for applications made by post or courier, or **£665** for applications made in person at our Public Enquiry Offices (PEO), unless the dependant is applying for leave to remain at the same time as the main applicant, when a reduced fee, or no fee, is payable.

### Reduced Rate for Eligible Dependants

For this application to be considered at a reduced rate, or free of charge, the dependant must be the spouse, civil partner, unmarried or same-sex partner, or child under 18 of the main applicant. Furthermore the dependant's application must be made at the same time as the main applicant's application. To assist in the processing of the application, you are advised to send any dependant applications in the same envelope as that of the main applicant.

Where these criteria are met, the following fees apply:

Category of the Points Based System under which the main applicant is applying at the same time	Fee applicable for each eligible dependant
Tiers 1, 2 and 4	£50
Tier 5	No Charge

## Fee Exemptions for Dependants applying at the same time as the Main Applicant

**1) Where the Main Applicant has a valid HSMP Approval Letter, is applying under the Tier 1 Transitional Arrangements, and is exempt from payment of a fee by virtue of their nationality**

Dependants of individuals who are making an application as a Tier 1 (General) migrant under the transitional arrangements set down in the immigration rules for holders of a valid HSMP approval letter, are not required to pay a fee where they are the spouse, civil partner, unmarried partner, same-sex partner or child under 18 of the main applicant and where the main applicant is a national of a country that has ratified the 1961 Council of Europe Charter or the 1996 European Social Charter (revised). The main applicant must be a national of Albania, Andorra, Armenia, Azerbaijan, Croatia, Georgia, FYR Macedonia, Moldova, Turkey or Ukraine, and the dependant's application must be made at the same time as the main applicant's in order to be exempt from the payment of an additional fee.

Dependant children aged 18 or over must apply separately and pay the appropriate fee set out in the paragraph titled **Fees for Other Dependants**.

### Fees for Other Dependants

**£465** Standard fee for a Dependant application.

**£665** Premium fee for a Dependant application

In all other dependant applications, including those for children aged 18 or over, the standard or premium fee above will apply for each dependant. This also includes where the main applicant is entitled to pay a reduced fee by virtue of their nationality, and the dependant is not applying at the same time as the main applicant.

Please note that the following applications under the Points Based System cannot be validly made at a Public Enquiry Office:

- Tier 1 (Investor)
- Tier 1 (Entrepreneur)
- Tier 5 (Youth Mobility Scheme)

However dependants of persons who already have leave in these categories of the Points Based System may make an application on this form in a Public Enquiry Office on payment of the separate premium fee.

## Rehabilitation of Offenders Act 1974

The Rehabilitation of Offenders Act 1974 enables criminal convictions to become 'spent' or ignored after a 'rehabilitation period'. The length of the rehabilitation period depends on the sentence given. For a custodial (prison) sentence the rehabilitation period is decided by the original sentence, not the time served. Prison sentences of more than two and a half years can never become spent and should always be disclosed. Further information on rehabilitation periods can be found at Nacro's Resettlement Plus Helpline 020 7840 6464 or by obtaining a free copy of their leaflet on 020 7840 6427.

## Definitions

For the purpose of answering questions **E4** to **E8**, the following information provides guidance on actions which may constitute war crimes, crimes against humanity, genocide, or terrorist activities.

The information I have given in this application is complete and is true to the best of my knowledge.

The photographs I have submitted with this application are a true likeness of myself and have my name on the back of each and I have had the opportunity to see the UK Border Agency photograph guidance.

If required by Biometric Registration Regulations, I confirm that I also apply for a biometric immigration document. If I am a single applicant under the age of 16, or if any dependant child under the age of 16 is applying with me, I understand that the Home Office may make enquiries about any responsible adult nominated to be present when my/their fingerprints and/ or a photograph are taken.

I understand that my details may in certain circumstances be passed to fraud prevention agencies to prevent fraud and money laundering. I also understand that such agencies may provide the UK Border Agency with information about me. Further details explaining when information may be passed to or from fraud prevention agencies and how that information may be used can be obtained from the UK Border Agency website.

If there is a material change in my circumstances or any new information relevant to my application becomes available before it is decided, I will inform the UK Border Agency.

## APPLICATION FORM HELP TEXT

The following section is to help you fill in the form. You do not have to send this section with your application.

### Introduction

This document provides information to help dependants to complete the PBS dependant application form.

For further information on the dependant policy please see section 6A of the Immigration Rules and the PBS Dependants Policy Guidance. These documents are available on the UK Border Agency website at [www.ukba.homeoffice.gov.uk](http://www.ukba.homeoffice.gov.uk)

All the above documents are available in Welsh, Braille, large print, audio and other alternative formats on request. For further information on alternative formats, and how to obtain these, please contact the Immigration Enquiry Bureau on 0870 606 7766.

### Who should apply using this form?

This form should only be completed by individuals who are already in the United Kingdom.

#### Dependants should use this form if they are:

- Currently in the United Kingdom as the dependant spouse, civil partner, unmarried or same-sex partner or child of a person in another immigration category who has, or is at the same time applying for, leave to remain as a PBS migrant.
- Currently in the United Kingdom as the dependant spouse, civil partner, unmarried or same-sex partner or child of a PBS migrant and seeking to extend their leave for a further period within their existing category.

This application form should not be used by main applicants. A separate application form is available for this purpose and can be found on the UK Border Agency website at [www.ukba.homeoffice.gov.uk](http://www.ukba.homeoffice.gov.uk).

### Submitting a valid application

The applicant will only be considered to have submitted a 'valid' application if the following has been complied with:

- the correct application form must be completed and submitted;
- the correct application fee must be paid;
- the applicant's current passport, Identity Card for Foreign Nationals (ICFN) if applicable or travel document must be provided, unless it is not available for one of the reasons specified on the application form;
- the mandatory sections in the application form must be completed;
- two recent identical passport-size photographs of the applicant with his/her full name written on the back of each one must be supplied;
- two recent identical passport-size photographs of any dependants who are applying with the applicant with their full name written on the back of each one must be supplied.

The photographs provided must be in the format specified in the separate photograph guidance, which can be found on our website at [www.ukba.homeoffice.gov.uk](http://www.ukba.homeoffice.gov.uk). Please ensure that they are placed in a small sealed envelope attached to section 2 of the form as instructed there - and without any staples, clips, pins or anything else which could mark or damage the photographs.

If the application is successful, the photographs provided will be reproduced in your residence permit, in your passport or, for dependants of Tier 2 or Tier 4 (General) migrants, on their Identity Card for Foreign Nationals.

Dependants who are of a nationality that is required to register with the Police must also include their Police Registration Certificate with their application.

## **IDENTITY CARDS FOR FOREIGN NATIONALS**

On 25 November 2008, identity cards were introduced for foreign nationals applying for permission to remain in the UK in certain categories. The categories have now been expanded to include other categories

Everyone applying in the UK under the Tier 2 or Tier 4 categories must apply for an identity card. Over the next few years, identity cards will be extended to other immigration applications.

Further information about these measures, which are based on powers contained in the UK Borders Act 2007, can be found on our website.

### **What is the identity card?**

The Identity Card for Foreign Nationals is a residence permit which holds a migrant's biographic details (name, date and place of birth) and biometric information, and shows his/her immigration status and entitlements while he/she remains in the UK.

It replaces the vignette (or sticker) and ink stamps previously placed in the passports of those granted permission to remain in the UK. If a migrant is issued with an identity card, he/she will receive a leaflet giving more information about it and explaining any obligations imposed on the cardholder.

### **What are biometric features?**

Biometric features are unique physical characteristics that can be used to identify a person. In this case, they will be the migrant's facial image and ten fingerprints.

### **How are biometric features recorded?**

An applicant who is required by law to apply for an identity card must make arrangements to have his/her biometric features recorded.

## **The procedure (premium service applications)**

If the applicant applies in person at one of our Public Enquiry Offices, the applicant and any dependants applying with him/her will be required to have their biometric features recorded after signing an acknowledgement to confirm that he/she understands what he/she is required to do.

If the applicant is a single person under the age of 16, he/she must be accompanied by a responsible adult (see Children under the age of 16 below).

The applicant will then be asked to place his/her fingers, followed by his/her thumbs, on a fingerprint scanner. If his/her hands are dirty, we will ask the applicant to clean them. Once his/her fingerprints have been recorded we will then take a photograph of his/her face.

The same process will be carried out for any dependants applying with the main applicant, except that any children aged under 6 will not be required to provide fingerprints, although we will take their photograph.

The biometric features taken will then be recorded as part of the application and those of any children under 18 who are applying.

In some circumstances, the applicant may be required to attend an identity interview if we require further information to establish his/her identity.

## **The procedure (postal applications)**

If the applicant applies by post, he/she will be sent a notification letter informing him/her of the need to make arrangements for himself/herself and any children under 18 applying with him/her to have their biometric features recorded. The letter will specify the options available for attending to enrol his/her biometrics.

Where the applicant makes an appointment to attend a UK Government Biometric Enrolment Centre, he/she will be given a booking reference number (BRN) which he/she should enter in the BRN space in the notification letter. If he/she has given us his/her e-mail address or mobile telephone number, we will confirm

the appointment by e-mail (within 24 hours) or send a text message (within 48 hours before the date of the appointment). But we will not send a letter confirming the appointment.

When attending to enrol your biometrics, the applicant must bring his/her notification letter with him/her. Please make sure that it has his/her booking reference number on it.

If the applicant is a single person under the age of 16, he/she must be accompanied by a responsible adult (see Children under the age of 16 below).

The procedure at the applicant's appointment will be the same as that described above for someone making an application in person.

How and when will the applicant be notified of the outcome of his/her application for an extension of stay and for an identity card?

If your application is successful, you will not be issued with a residence permit in your passport. Instead, you will be issued with a residence permit in the form of an Identity Card for Foreign Nationals.

### **Applying in person**

If the applicant is applying in person and his/her application is successful, he/she will be sent an identity card or cards for himself/herself and any children applying with him/her within 7 working days of his/her appointment. Identity cards cannot be issued on the day of the appointment. However, if the dependant(s) do not receive the card(s) within 10 working days of the date of the dependants decision letter, please call 0300 123 2412.

### **Applying by post**

If the migrant is applying by post and his/her application is successful, his/her passport(s) and other documents will be returned to him/her. He/she will then be sent an identity card or cards for himself/herself and any children applying with him/her under separate cover within 7 working days of the date of the decision(s) on his/her application(s). However,

if the dependant(s) do not receive the card(s) within 10 working days of the date of the dependants decision letter, please call 0300 123 2412.

### **Children under the age of 16**

We cannot record the biometric features of children under the age of 16 unless they are accompanied by a responsible adult.

If any such children are applying with an applicant as his/her dependants, we would expect the applicant to be with them when their biometric features are recorded. If not, the person accompanying them must be a responsible adult aged 18 or over who is either the child's parent or guardian, or a person who for the time being takes responsibility for the child. Any such person must be named on the application form.

Similarly, if the applicant is a single person under the age of 16, he/she must be accompanied by his/her parent, guardian or other responsible adult aged 18 or over.

That person must bring with him/her a letter confirming that he/she is authorised to take responsibility for the child for the purpose of the biometric features appointment.

The responsible adult will also be asked to provide an acceptable form of identity, such as a passport or driving licence, which will be checked.

### **What if the applicant fails to book an appointment as required?**

If the applicant is notified by letter of the need to book an appointment and fails to do so within 15 working days from the date of the letter, he/she will receive a warning letter advising him/her that failure to book an appointment will result in his/her application being rejected as invalid. If that happens, the applicant will have to resubmit his/her application for it to be considered.

**What if the applicant fails to attend the appointment?**

If the applicant fails to attend a booked appointment, he/she will be given an opportunity to book another one within a limited period.

If the applicant fails to attend the new appointment or cancels it without a reasonable explanation, his/her application for an extension of stay is likely to be refused on the grounds of non-compliance with regulations made under the UK Borders Act 2007.

**What if the applicant fails to comply with the recording process at the appointment?**

If, when the applicant attends the appointment, he/she fails to co-operate fully with the biometric recording process, for example by attempting to obscure his/her fingerprints or other biometric features, he/she will be warned that his/her refusal to comply may result in his/her immigration application being refused on the grounds of non-compliance with regulations made under the UK Borders Act 2007.

**What about any medical or physical conditions that may require the UK Border Agency to provide the applicant with special arrangements?**

If the applicant and/or any dependants who are applying with him/her have a medical or physical condition which may require special arrangements to be made in order for his/her biometric features to be recorded, he/she must obtain a letter or other document giving the details of any such condition and enclose it with his/her application.

Appropriate documentary evidence would be a letter from a treating clinician, such as a practising doctor registered with the General Medical Council, giving details of the condition and/or special needs and explaining any arrangements that may be necessary.

**Does the applicant need to make any special preparations before his/her biometric identifiers are recorded?**

Before the applicant attends his/her appointment, we recommend that he/she checks his/her hands and fingers are clean.

If his/her hands are not clean, we may ask him/her to wash them before we scan his/her fingerprints.

We would advise the applicant not to have any colouring or similar substances (such as henna) on his/her hands, as this could prevent us from recording his/her fingerprints on the day of your appointment.

If that were to happen, the applicant would have to make a new appointment and that would delay the consideration of his/her application.

**What if any identity card issued to the applicant or any dependants of his/hers was/is lost or stolen?**

A migrant must report any lost or stolen identity card to the UKBA Card Management Service on 0300 123 2412. He/she must also report the loss or theft to the police and get a police report and crime reference number as soon as possible.

The migrant will need to provide the crime reference number and a police report (if he/she has one) when he/she applies for a replacement card on form ICFN(RC).

**Supporting evidence**

It is the dependant's responsibility to provide the evidence to support any statements made in his/her application. The dependant must satisfy the Assessing Officer that the requirements for the category under which he/she has applied have been met. The Officer must be satisfied, by considering the evidence provided that the dependant meets the necessary criteria.

Dependants must ensure that all of the necessary supporting documentation is provided at the time the application is submitted. Only those documents specified in the application form and set out in detail in the dependant policy guidance will be considered acceptable for the purposes of establishing that a dependant qualifies for the points claimed in any scoring area.

The dependant must be selective in submitting evidence, as sending large amounts of irrelevant or poor quality documentation may delay the consideration of the application. It is only necessary to submit evidence that is directly appropriate to the application as requested, as unrelated evidence cannot be considered.

To assist Assessing Officers in considering the documentation provided, the dependant should highlight any relevant sections on the documentation provided. For example, in the funds area, if savings are held with more than one source, dependants should highlight the relevant dates and amounts and also mark the documents provided, to confirm which source of funds the specific document relates to.

Any documentary evidence that the dependant provides should be original (unless otherwise stated).

Where a document is not in English or Welsh, the original must be accompanied by a fully certified translation by a professional translator. This translation must include details of the translator's credentials and confirmation that it is an accurate translation of the original document. It must also be dated and include the original signature of the translator.

### **QUESTION - SPECIFIC HELP TEXT**

Further advice for PBS dependants on specific questions to support the completion of the application form is detailed below.

**B2-B5** PBS dependants should provide full details of their name and title. If the dependant has previously been known by any other name(s) they should provide full details of each name, the date of each change and submit the relevant supporting legal documentation.

Evidence of name change(s) should show the dependant's full name before and after the change and may include:

- deed poll documents; and
- both the old passport and the new passport.

Should the dependant submit documentation in support of their application that refers to them under name(s) not given in this section, that documentation will not be considered by the Assessing Officer.

**B7** Dependants should indicate his/her gender. If the dependant has been the subject of Gender Reassignment AND an application contains documents relating to previous identities, the dependant should provide a relevant Gender Recognition Certificate (GRC). The only exception to this is where the dependant has previously submitted their GRC with an earlier application. In such cases the dependant will therefore not be required to resubmit it.

**B10** Dependants should indicate his/her marital status.

This status may be:

- Married – a person legally married in or outside the United Kingdom;
- Civil partner – a person in a same sex relationship and who has gone through a legal ceremony in the United Kingdom under or by virtue of the Civil Partnership Act 2004, or in the country of his/her residence;
- Unmarried partner – a person in a heterosexual or same sex relationship, which has been subsisting for two years or more but is not married or in a civil partnership;
- Widow – a person whose spouse has passed away and has not re-married or is not currently in an unmarried relationship that has subsisted for more than two years;
- Single – a person who is unmarried and not in a relationship that has subsisted for two or more years;

- Separated – a person legally married in or outside the United Kingdom but no longer living with his/her married partner;
- Divorced – a person married in or outside the United Kingdom whose marriage has been legally dissolved;
- Dissolved – a person who has been in a civil partnership which has been legally dissolved;
- Separation Order – a separated person who remains in law the civil partner of the other person.

**B11** All Home Office applications are given an individual reference number; this allows the Assessing Officers to track and link past applications. Dependants should provide his/her full Home Office Reference number. This number can be found on any previous Home Office correspondence relating to the dependant. The dependant may have numerous Home Office numbers, including HSMP reference numbers or Case ID reference numbers; the dependant should provide all such numbers.

**B14** Dependants who have made previous applications under the PBS will have been given a PBS Migrant Reference number. This allows the Assessing Officers to track and link past applications. Dependants should provide his/her full PBS Migrant Reference number. This number can be found on any previous correspondence relating to applications under the PBS.

**C1-C5** Dependants should specify under which nationality he/she entered the United Kingdom. He/she should also provide details of any other nationalities he/she currently hold or have previously held.

**C6-C8** The dependant must provide details of all passports or travel documents, current or expired, that he/she has used to enter or remain in the United Kingdom including:

- passport number
- issue date
- expiry date

- place of issue.

Where the dependant needs more space than is available he/she should photocopy the relevant page of the application form and submit this with his/her application.

Where the dependant holds, or has held, other nationalities he/she should provide the relevant passport/travel document for each nationality held and provide the above details.

The dependant must submit all of these passports/travel documents with the application. They should be original documents and not copies.

In certain circumstances certified photocopies will be accepted where the dependant does not have the original at that time. The dependant must provide details as to its location and state when he/she will provide it. The dependant must then ensure that the original document is submitted as soon as he/she can. If the passport has been lost or stolen a Police crime report number/report must be provided along with details of the police station the loss was reported to and the date it was reported.

For the application to be valid and complete the dependant's current passport/travel document must be provided unless it is not available for one of the reasons specified on the application form.

**D7** Ports include airports, seaports, St. Pancras International Station where the applicant has entered the United Kingdom by the Channel Tunnel or travelled overland via the Republic of Ireland.

**D13** The dependant should confirm whether he/she has ever remained beyond the end of his/her period of leave in the UK. Where an applicant's leave had been extended by virtue of Section 3C of the 1971 Immigration Act, he/she will not be considered to have remained beyond the end of his/her period of leave and should therefore complete the 'No' box in response to this question. (For further information on the provisions of Section 3C please refer to Chapter 1, Section 5 of the Immigration Directorate's Instructions).

**D26** Where the dependant is not permitted to submit a further fresh application, he/she should not proceed in completing this application form. If a dependant in this position does complete this application form, it will be returned to him/her without having been considered.

If the dependant wishes to vary the grounds of the existing application he/she must refer to Chapter 1, section 5 of the Immigration directorate instructions on our website <http://www.ukba.homeoffice.gov.uk/sitecontent/documents/policyandlaw/IDs/idischapter1/section5/section5.pdf?view=Binary> and contact the UK Border Agency team processing the existing application.

**D29** Where the dependant is not permitted to submit a new application he/she should not complete this application form. If a dependant in this position does complete this application form, it will be returned to him/her without having been considered.

If the dependant wishes to vary the grounds of the existing application he/she must refer to Chapter 1, section 5 of the Immigration Directorate's Instructions on our website <http://www.ukba.homeoffice.gov.uk/sitecontent/documents/policyandlaw/IDs/idischapter1/section5/section5.pdf?view=Binary> and contact the UK Border Agency team processing the existing application.

**F1- F5** If the dependant's current grant of leave was issued on an identity card (ICFN) he/she must also provide the ICFN in order for the application to be valid, unless it is not available for one of the reasons specified on the application form.

**G1-G7** Dependants should give the full personal details of the family member who is applying under the PBS and upon whom they are dependant.

**K7** A dependant of a main applicant whose primary site of study is in inner London must show he/she has access to £533 for each calendar month he/she intends to accompany the main applicant, up a maximum of 9 months

To work out amount of funding for maintenance an applicant requires he/she should multiply £533 by the number of months they will be in the UK. e.g.

**K9** A dependant of a main applicant whose primary site of study is in outer London or anywhere else in the United Kingdom must show he/she has access to £400 for each calendar month he/she intends to accompany the main applicant, up a maximum of 9 months
